- **Job Role:** HTML/CSS/JS - Junior to Mid-Level Front End Web Dev (Permanently Remote)
- **Company And Work Location:** Clarity Ventures/ Remote Work

Job Description

Responsibilities

Clarity is seeking a Front-End Web Developer who will be responsible for developing and updating dynamic web sites for our clients. You'll be joining a team that is creative, focused on results, and works together to achieve goals. The role would be responsible for working with project managers and designers to build custom websites. This includes implementing HTML, CSS/SCSS, JavaScript (working inside of the Angular/AngularJS/React frame works), as well as assisting in QA testing and the actual deployments of websites.

A typical week will include 4-5 stand up style meetings or other brief meeting formats to confirm internal status on projects; typically, 1-2 phone meetings with clients to share updates and provide technical support if needed (our PM team runs the meetings 95% of the time); writing/applying HTML/CSS/JS and customizing bootstrap templates; testing completed features; debugging client trouble tickets; suggesting changes on all aspects of the company during a weekly review meeting.

Requirements

Mandatory Skills:

HTML, CSS, JavaScript, SCSS/LESS, Bootstrap

Preferred Skills:

AngularJS, Angular, Azure Dev Ops, Git, Automated UI Testing, WordPress, DNN, React

Minimum Qualifications:

- 1-2+ year of professional web development with front-end focus.
- Understanding of the web development life cycle, including QA.
- Experience communicating directly with clients.
- High proficiency with the HTML/CSS/JavaScript backed by a sharp, critical eye for detail.

Benefits

Health Insurance, Paid Time Off, Positive and Educational Work Environment, Ongoing Training, Rapid Growth, Client Facing Experience, Profit-Sharing

Interview Process

Please - no faxes or phone calls. NO THIRD PARTY CONTRACTORS, RECRUITERS, CORP TO CORP OR CONSULTANTS.

The interview process will be thorough, including a real-world coding project. Apply only if you demand of yourself the same standards of excellence that you look for in your development team.

Please Note: We do not offer relocation at this time. We do not sponsor or transfer visas at this time.
